

## Size 24B Bulkhead mounted housing, with thermo-plastic cover

Typecode     H24B-OM-4PR-PC  
ID                1 007 01 0000694

### Technical Data

#### Product Properties

|                         |                                              |
|-------------------------|----------------------------------------------|
| Series                  | Size 24B                                     |
| Mating with             | HE-024, HEE-046, HD-064<br>HDD-108, HK-004/8 |
| Housing type            | Bulkhead mounted housing                     |
| Cable outlets direction | Bottom opening                               |
| Cover                   | Yes, Thermo-plastic                          |
| Installation mode       | Panel mount                                  |
| Protection Class        | IP65                                         |
| Impact strength         | IK08                                         |
| Temperature range       | -40 °C ... 125 °C                            |
| Standard                | DIN EN 175301-801                            |

#### Insert

|                  |                     |
|------------------|---------------------|
| Housing material | Die-cast aluminum   |
| Color            | Gray (RAL 7037)     |
| Cover            | Polycarbonate, gray |
| Seal             | NBR, black          |

#### Commercial data

|                   |       |
|-------------------|-------|
| Weight            | 174 g |
| Packaging unit    | 1 pc  |
| Country of origin | CN    |

### Features

- Die casting of aluminum
- Stamping resistance thermo-plastic cover
- Bottom fully open wire opening
- Surface fixed installation
- NBR, black
- Resistant to salt spray
- Approval: UL94-V0
- RoHS-compliant

### Mounting-hole Size
